Yarema said it's not just addicts that are dying due to the effects of the drug, but also people who are trying "party drugs." In a number of recent deaths, several other drugs were found in blood samples, including a veterinary medicine called xylazine, used on large animals during castration procedures.

can i order prednisone online

"MP Ibrahim Rasheed was arrested under a warrant obtained by the police relating to an incident two days back on 30 July when it was reported that the MP was "bitten" by a policeman while in the process of being arrested for participating in a protest rally," the statement read.
